Still killin' all of you boys wit' the balls
Still killin' all of that noise 'til I'm washed
Realer than all of y'all claim and the sauce
Still got the cause, I'm reclaimin' the lost
Still workin' harder than they for applause
Still out to make Jesus famous, of course
Still got the bangers, that ain't with the cross
Stick to that goal like I'm playin' lacrosse

Still ain't forgot that them cops ain't arrested
System ain't built for my people, that's facts
Wit' all of that, I still wanna be black
I read a comment from racists and laugh
Ain't got no Judah, but I'm from the schooler
Not actin' hard from behind your computer
If you no reverse, then [?] maneuver
Couldn't back it up on your best day (Best day)
Okay, that's enough for the essay (Shut up)
All of the words in your message, shh (Too much)
Livin' in the spread the mess age (Hmm)
All of that talkin', that ain't cheat (Uh)
You get no F's, that ain't me (Nah)
Yeah, I give F's, but only three (Yeah)
I'm flawed, I'm really forgiven and free

Y'all chase the fame, grow up (Grow up)
Make sure His name go up ('Sup)
