

## Destroyer

### Sworn Enemy

right now the way i'm feeling inside  
there's no way my destiny can hide  
you can't take that from me  
my life, my destiny  
my life, my destiny  
i feel i've fought the good fight in the eyes of my peers  
never surrender  
never surrender to my fears  
i'll choose my path wisely  
believe in myself  
won't let you tell me that i'm not top shelf  
cream of the crop  
i won't settle for less  
if satisfaction kills desire  
you won't be the best

you can't take that from me  
cause this is how i see  
you can't take that from me  
my life, my destiny  
try to stay focused  
do all that i can  
cause in the blink of an eye  
it all could end  
it all could end  
prepare to destroy  
lets see if i got what it takes  
prepare to destroy  
i know i've got what it takes  
prepare to destroy
