

# Weight Of The World

Sworn Enemy

Believe in yourself  
A lack of self esteem just means  
I gotta fight harder  
Sometimes it feels like weight of the world on my  
shoulders  
How many times have you heard this before  
If you could spend one day  
In these shoes I'm wearing  
Feel the weight I carry then you'd understand  
Weight of the world on my shoulders  
Then you'd understand  
Weight of the world on my shoulders  
Then you'd understand  
Pressure is not something that should be taken lightly  
Stronger men have broken down when faced with despair  
Sometimes it feels like weight of the world on my  
shoulders  
I know you've heard it all  
If you could spend one day  
In these shoes I'm wearing  
Feel the weight carry then you'd understand  
Weight of the world on my shoulders  
Then you'd understand  
Weight of the world on my shoulders  
Then you'd understand  
I know you've heard this before  
But this time I gotta fight back  
Focusing on positive action  
Break away from this negative world
