

# DON'T LOOK AT ME

Sworn In

Nothing works so I'll count down from three  
Your gaze hurts please don't fucking look at me  
It fucking hurts when I feel their eyes staring at me  
Like peeling off my skin, I'm begging you don't look at me  
It fucking hurts when I feel their eyes staring at me  
Like peeling off my skin  
Don't look at me

Don't you  
Don't you  
Don't you  
Don't look at me  
Look at me

I don't exist to myself  
So what the fuck do you see  
Fuck, make it stop, I feel them burning my brain

Eyes  
Eyes  
Bloodshot  
They're glaucomatic  
It's traumatic

Your versions of me are clouding my vision  
We're gettin' close to the time for incision  
Pressures building and my eyes are gonna burst  
If this is how you see me I'll make sure that I'm the worst

It's not me  
I'm not me  
Don't look at me  
It's not me  
I said  
Don't you fucking look at me  
Torture when strangers stare  
And if they knew they wouldn't  
Care

It's not me  
I'm not me  
Don't look at me  
It's not me  
It's not me  
I'm not me  
Don't look at me  
It's not me

It fucking hurts when I feel their eyes staring at me  
Like peeling off my skin  
I'm begging you don't look at me  
It fucking hurts when I feel their eyes staring at me  
Like peeling off my skin  
Don't look at me

Back up bitch  
Don't you, don't you, don't look at me

Don't you, don't you, don't you, don't look at me  
Look at me

My head is down and I'm looking at my feet  
Whatever you're doing sure as shit's not discrete  
I don't sleep and I can't fucking eat  
Cause I know they all see  
A fuck up who admits defeat
