

## Love Song

SWV

Your love's got me so high  
It's like I'm on a cloud  
The way you put it down  
And I just can't get enough  
Your love's got me so high  
It's like I'm on a cloud  
The way you put it down  
I think I'm fallin' in love

I'm all doped up on your love  
And I don't ever wanna give this up  
And I don't ever wanna get caught up  
With another dude except for you  
(You're my addiction)  
Try to make me go to rehab  
But I said no, no, no  
Ha  
I said, try to make me go to rehab  
And I say no, no, no

I just wanna be your favorite  
(Hey)  
I just wanna be the one that you call when you're fadin'  
I just wanna be your favorite  
(Hey)  
I just wanna be the one that you call your baby  
I just wanna be your favorite  
(Hey)  
I just wanna be the one that you call when you're fadin'  
I just wanna be your favorite  
I just wanna be the one that you call your baby

Your love's got me so high  
(Got me so high)  
It's like I'm on a cloud  
The way you put it down  
(Boy, you got)  
And I just can't get enough  
(Hey, hey, hey, hey)  
Your love's got me so high  
(So high)  
It's like I'm on a cloud  
The way you put it down  
I think I'm fallin' in love

You got me wrapped around your finger  
(Yeah)  
And I won't let you down  
(I won't let you down)  
I won't let you down  
(I won't let you down)  
(Oh, ooh, oh)  
Just keep lovin' me the way that you been lovin' me  
Oh, you drive me crazy  
I just wanna be with you  
(Baby)  
Every little step you take

(Oh, ooh)

I just wanna be your favorite

(Hey)

I just wanna be the one that you call when you're fadin'

(I wanna be your favorite)

I just wanna be your favorite

(Hey)

I just wanna be the one that you call your baby

(I wanna be the one you call on, yeah)

I just wanna be your favorite

(Hey)

I just wanna be the one that you call when you're fadin'

(The one you call, yeah)

I just wanna be your favorite

(Yeah)

I just wanna be the one that you call your baby

Your love's got me so high

(Got me so high)

It's like I'm on a cloud

The way you put it down

(Keep putting it down)

And I just can't get enough

Your love's got me so high

(Hey, hey, hey, hey)

(Feel like I'm on a cloud)

It's like I'm on a cloud

(The way you put it down)

The way you put it down

(Down, down)

I think I'm fallin' in love

I just wanna be your favorite

The one you call when you're heated

And you're needed on your day shift

The only one you call your baby

You need a freak in the bed

In the streets I'm a lady

(Yeah)

I see you got a lot but are needier

(Yes)

I got your name painted on my heart like graffiti

Makin' love off my CD

While we're runnin' through the city

Got my shades on

On my run lookin' pretty yeah

Love it when you kiss me

Feels like all my problems melt away

And I'm addicted to the feelin'

Likin' how my heart is dealin'

'Cause of you, my baby

And I love it when you need me

(Need me)

'Cause I wanna give you everything

(Everything)

And I'll never, never, never stop

No, ooh, yeah

Your love's got me so high

(High)

It's like I'm on a cloud

(Ooh)  
The way you put it down  
And I just can't get enough  
Your love's got me so high  
It's like I'm on a cloud  
(Got me on Cloud 9 now)  
The way you put it down  
I think I'm fallin' in love

I'm so lit off you  
And I don't want nobody else  
I'm hooked on your love  
(Hooked on your love)  
And I just wanna be with you  
And I can't see myself with no one else  
Baby, I'm yours  
(Baby, I'm yours)
