

# On Tonight

SWV

Feelin'  
Some type a way  
So, baby, listen  
To what I have to say  
Somethin' about you just makes me so happy  
I'm goin' all out today

And I want you there  
I want you right by my side  
Boy, you gotta be there  
It's gotta be just you and I  
'Cause I'm feelin' it  
In the air tonight  
(Tonight)  
I'm gonna show you  
How much I care tonight  
(All night)

It's gonna be on  
It's gonna be on  
On tonight  
It's gonna be on  
It's gonna be on  
All night

Come over  
(Ooh)  
I wanna tell you to your face  
You got my lovin'  
You got my lovin' all day  
I'll give you trust  
(Trust)  
I just don't give that away  
But I give you every part of me, baby

And I want you there  
(Ooh)  
I want you right by my side  
Boy, you gotta be there  
(Ooh)  
It's gotta be just you and I  
'Cause I'm feelin' it  
In the air tonight  
(Feelin' it, feelin' it, feelin' it, feelin' it)  
(Tonight)  
I'm gonna show you  
How much I care tonight  
(Care tonight)  
(All night)

It's gonna be on  
It's gonna be on  
On tonight  
It's gonna be on  
(Hey)  
It's gonna be  
(Yeah)
