

Talkin to the gods and I got one wish
Everybody die young I don't wanna jump ship
You don't know mothafucka don't be jumpin so quick
Don't be runnin with the numbers they don't wanna see you win
Hold that grudge bitch v fo vendetta
Clever with the set up now I get to be better
Now they wanna be me cause I make it look easy
I be steezy keepin eatin all these rappers never let up
Kill it like a villain imma sit upon the ceilin when I'm spittin got a milli
lyrics rippin I'm givin it imma

Misfit

Ill shit

I don't really feel this

Knife in my spine

Turn up on me with quickness

Aye

Never fuckin with with the business

Money be the one to cause a mothafuckin sickness

Kill another brotha for the money gotta quit this

Bills AINT shit

When

A man ain't livin

Aye

Aye

Aye

Aye

Aye

Aye

People stay killin eachother for nothin and nothin will stop em from grippin
the K

Bang

Fuck it I'm stayin away

Keepin it underground fuck all the main

Stay lowkey

Till I proceed

To the trophy

Never hold me

Better watch closely

Aye aye aye aye aye

I'll never fade

I'll never fade

I see my fate As clear as day

No more to say

I guess I'm made this way

So walk away

So walk away

Walk away

I got no more to say

I guess I'm made this way

I guess I'm made this way

Made this way

I guess I'm made this way

I guess I'm made this way

Made this way

I guess I'm made this way

I guess I'm made this way
