

# NIGHTMARE

SXMPRA

Ever since a kid I never gave a fuck about shit  
Fuck a nine to five I'm never clockin' in I'm out bitch  
Said Yung Sxmptra what you wanna be I say a misfit  
How you gonna tell me what I gotta be you trippin'  
I'm in my zone schematheposee what I'm on  
I got that chip up on my shoulder and that black cap on my dome  
That Section8 up on my body keep me poppin' like a shottie  
I'm leavin' a mothafucka in a box he steady rottin'  
Aye get up out my way  
Want you look up in my face  
When I'm out the gate  
'Cause no one movin' at my pace  
Wanna pave this lane  
These pussy mothafuckas lame all the same  
That's another plane Jane (Uh)  
Bitch wanna play the game  
That razor blade will graze yo' face  
When a pussy mothafucka really wanna be the one  
To say what he may like it's mayday-mayday another one vacate  
System be rippin' and trippin' to keep us from facing  
The truth when in the booth  
I gotta spit my shit and I'm rippin' it too like who  
Who gonna fuck with kid better buck up bitch 'cause I bump in t  
his shit like you  
You wanna fuck with the kid never gonna pull up in the whip lik  
e bitch you through  
They don't really wanna be the ones to jump on this ship 'cause  
I don't have shit you do  
They gonna hate me 'cause I'm comin' up and you fuckas be doome  
d

Creepin' I'm rippin' these fuckas up outta they seat  
And they know that I'm schemin' I'm dreaming of all of the thin  
gs  
I'm achieving I keep on my feet and these pussies be payin' for  
features  
Creatures be sayin' they made me  
I made me and maybe you could indeed make yourself too  
If you stopped with the fuckery stuck in the past as I laugh bi  
tch  
Fuck you  
Pull up all black to the shoes  
Cap with a hoodie on my back that's new  
Fuck what ya' do and fuck ya' whole crew  
Bitch schema to the grave I'mma die up in the booth (Yeah)  
I am an entity and I am entering in to the peak of my energy me  
ant to be what  
I am sent to be and I am ending the fuckas that mention me
