

# A Phase

Sy Ari Da Kid

You just goin' through a phase  
These boys just play too much games  
And you chase a bag  
All day  
Can't knock ya hustle, no way  
Sex so good, I think I put my clothes on backwards  
Don't worry bout me  
Get ya bag first  
Girl speak your mind  
Get the last word  
You got so many damn logins and passwords

Finesse them niggas  
Finesse them niggas  
You deserve to do what put you  
In the best position  
Girl I was you  
I can't judge you, I love you  
Girl these boys ain't faithful  
Go do what you want to  
You don't got time for no  
These lame nigga lies  
No games, no ties  
Girl name your prize  
Do ya thing all night  
I know you won't be doing this forever  
But for now you ain't gonna let 'em know [?]
