

A Thin Line

Sy Ari Da Kid

Hold on, yeah
I was throwed off
Big difference between turnin' your phone
And turnin' your phone off
You was wide open, I was closed off
You an introvert and I be showin' off
Bae what's goin' on, why you goin' off?

In the bed with your outside clothes
You know you be sleepin' with your clothes off
Yeah, we got big problems (Facts)
Thinkin' I been dishonest
You be leavin' all your shit at my crib, so the next bitch find it
Don't make me be petty and give away your silk bonnet
Sometimes I'm slick childish, misguided, yeah, yeah
We been departed
I'm just gettin' started
Your tooth brush and your eye lashes
All that shit is in the garbage
I been fuckin' like I'm Mr. Marcus
Tryin' to hurt my pride
I heard you been sleepin with a bigger artist than me (Damn)
But is he gone write a song about you
Say he miss you when he home without you
Tell you shit nobody know about you (Ayy), doubtful
Checkin' on you mama, how are you? (How are you?)
You need somethin' real around you
I was lost 'til I found you, yeah-yeah, yeah-yeah

Hold on, yeah
I was throwed off
Big difference between turnin' your phone
And turnin' your phone off
You was wide open, I was closed off
You an introvert and I be showin' off
Bae what's goin' on, why you goin' off?

You be sendin' hella texts all the time
When I pull up on you why you don't talk
Where do I begin?
Why pretend?
I don't like your friends, I can't win
I know, my bad, I hate my past
Are you related to Brent, with yo' fye-ass
I had too many opportunities, lately I been doin' me
Feelin' like without you I'm losin' myself, don't know who to be
Losin' you will ruin me, Queen Latifah, where's the unity?
And I been hearin' things
You been hangin' with some niggas that ain't cool with me
You trippin'
You been on my mind for a minute
Need to spend some time, no limits
No games, no games
That mean no lies, no gimmicks (Facts)
And I don't get it (I don't)
Why are we so off and on?
It's such a thin line I admit it, wait

Hold on, yeah
I was throwed off
Big difference between turnin' your phone
And turnin' your phone off
You was wide open, I was closed off
You an introvert and I be showin' off
Bae what's goin' on, why you goin' off?
