

Lost & Found

Sy Ari Da Kid

Feel like déjà vu again
Where I been before, some shit
Yeah, yeah, yeah, yeah
Ayy

If I ever take you to a restaurant and we break up
You can't go back without me (That's facts), yeah
I need your energy around me (Can't save you)
Do you remember where you found me? Yeah, yo
How could you ever, ever doubt me? (That's crazy) Yo
When I miss our make-up sex, I might just start a fight on purpose, yeah
I used to walk around like I was perfect (I was perfect)
On our first date, you was kinda nervous (That's facts)

Yeah, I see your ex back at it
I ain't trick like he did, but I helped you quit some bad habits
You could never be the issue (No, no)
It's whatever, she with you (Ayy)
'Cause she a queen, yeah (A queen)
I could never leave my bae, give me a reason (A reason)
She don't even like girls and gave me a threesome (Me a threesome)
I got her on lock and don't need a key, yeah
'Cause we go together like [?], ayy (Yeah)
How you walk around with a mind like that? Ayy
I like when we shower and you wash my back, ayy
How the hell you swingin' with a vibe like that? Ayy

If I ever take you to a restaurant and we break up
You can't go back without me (That's facts), yeah
I need your energy around me (Can't save you)
Do you remember where you found me? Yeah, yo

Ayy (Yeah, yo)
I remember when I found her
Comments on The Shade Room, messy hoes around her
I caught her in the deep end, her ex tried to drown her
Knew she was a queen, but I just had to crown her
She was hard-headed (Facts)
That lil' mama listen and she be submittin'
Just don't have her lookin' stupid, she ain't never gon' be trippin' (Yeah, yo)
And I just cut off all them lame-ass hoes, I know you proud of it
Fuck what you insecure about, I give you confidence
And I even like when other niggas give you compliments (Yeah, yo)
But it don't mean nothin' if it don't come from me (Say it)
And if you ain't the one, well, you the one for me

If I ever take you to a restaurant and we break up
You can't go back without me (That's facts), yeah
I need your energy around me (Can't save you)
Do you remember where you found me? Yeah, yo
