Ooh-ooh
Hey, yo
Settle down
Oh, oh
Settle down
Hey, yo
Hey, oh
Yeah

I know that you don't know
If I hit it on the first night, it don't make you a ho (Facts)
If you make me wait a long time, it don't mean that you wifey
No, I ain't these lame niggas, baby girl, don't try me (Yeah, yeah)
How you alway got a man and don't got a man? (Something wrong)
And you try again (Something wrong)
No, I can't take you out if you keep dining in (I can't)
I can't let these women play me like no violin (I can't)
Every time I try to settle down, I feel like I can't win (Woah)

Shawty stole my heart, I feel like she was a crook
Always eating out, I need a queen that can cook (That's facts)
If I gotta do a bid, come put some cheese on my books
And your personality compete with your looks, yo
You bad and I love when you model in your pictures (You bad)
Baby girl, treat her mama like her sister (No cap)
She on Instagram like, "That's goals" (Say)
I'm a gentleman but I'm a asshole (Yeah, yeah)
Let's make a movie like a DVD, yo
And lil' mama help with my PPP loan (She juggin')
And I see what she on
Know you wanna be with me, oh (I know)

I know that you don't know
If I hit it on the first night, it don't make you a ho (Facts)
If you make me wait a long time, it don't mean that you wifey
No, I ain't these lame niggas, baby girl, don't try me (Yeah, yeah)
How you alway got a man and don't got a man? (Something wrong)
And you try again (Something wrong)
No, I can't take you out if you keep dining in (I can't)
I can't let these women play me like no violin (I can't)
Every time I try to settle down, I feel like I can't win

(You know) That you could never handle how your last nigga was
Thank you Kevin Samuels
Got me in my feelings, young Tevin Campbell
We could take a trip like whenever you plan you, woah (Duh)
And I won't fail you
Your sex was Olympics, you got a gold medal
Call that nigga selfish and I won't fail you
No, we ain't looking back, babe, like it's no rearview, damn
And when I speak to her, I give bae a metaphor
When the streets call her, I could make her press ignore
I compete for her, the greatest I ever saw, yeah, yeah

I know that you don't know
If I hit it on the first night, it don't make you a ho (Facts)
If you make me wait a long time, it don't mean that you wifey
