Oh, this how you wanna be?  
Say you wasn't going nowhere

You had me doing things that I never found I would believe, you  
Comin' over on your period  
Baby, you been wildin' for a week, yeah, yah (Ayy)

I'll pull up on you like the mailman  
If I can't have you no one else can  
Gave you my affection outside  
Crazy 'cause we never held hands  
Think about it, you should reconsider  
Spent too much time tryna be a nigga  
Fuck your friends, girl, they just being bitter  
We get back together just so we can split up  
Once again I'm single, it's gon' be a minute  
Alright, just don't take too much time  
You're right, just lose your pride  
Don't fight, that's suicide  
I see right through your eyes (Damn)  
Now where you goin'? You just can't go yet  
You say it's over, I just don't know yet (Facts)

Had me fuckin' on your period with a big towel underneath, yeah-

Try to give you advice, you just need some act right  
Naggin' like a mad wife, right?

Can't save everything on a flash drive, right?  
It's crazy but that's our life  
I accept all your flaws (Facts)  
Gotta check on what's yours (Check)  
Got a few seconds to score, yo

Treatin' sex like a chore  
And you always said I was lost  
Better than ever before (Oh, Lord)
