

Keys to your apartment
Got my clothes all in your closet
Just came to exchange our belongings
And our love's so broken-hearted

'Cause we belong together, together, together
You and me forever, forever, ever
Oh, and I was with whatever, ever, ever
Told me you would never do this shit to me

Bust my heart heart wide open (Boom-ba-da, boom-ba-da, boom)
Bust my heart heart wide open (Boom-ba-da, boom-ba-da, boom)
Girl, my heart's wide open (Boom-ba-da, boom-ba-da, boom)
Break my heart, why don't ya? (Boom-ba-da, boom-ba-da, boom)
Break my heart, why don't ya?

Can't deny, I miss ya
But I deleted all your pictures
You wanna stay friends and that's big of ya
But girl, I can't get with ya

'Cause we're not together, together, together
So much for forever, forever, ever
Oh, and I was with whatever, ever, ever
You told me you would never, do this shit to me

Bust my heart heart wide open (Boom-ba-da, boom-ba-da, boom)
Bust my heart heart wide open (Boom-ba-da, boom-ba-da, boom)
Girl, my heart's wide open (Boom-ba-da, boom-ba-da, boom)
Break my heart, why don't ya? (Boom-ba-da, boom-ba-da, boom)
Break my heart, why don't ya?

Tell me how it feels
Given that before
Yeah
