# Missing Out

**Syd**

Tell me something, babe
Just tell me it was worth it
I know I didn't deserve it
I didn't deserve nothing
I needed lovin', babe
And you gave me a version
It wasn't always perfect
But now it's nothing

As far as I can see, you and me could never be
'Cause we didn't spend the proper time tryna work it out
Hope you findin' what you need or what you seek
'Cause now I'm free
And maybe in another life, you'd be mine, mine, mine

But you're missing out
You're missing out
You're missing out
Bet you're running out
'Cause you're missing out
You're missing out
You're missing out (Out)
Bet you're running out

It was a summer day (Summer day)
You told me you were leaving (Leaving)
And I couldn't believe it (Ooh)
It was over nothing (Nothing, nothing)
We went our separate ways
I tried to find a reason
But, baby, you can keep on (Baby, you can keep on)
'Cause that don't mean nothing, yeah (Nothing)

As far as I can see, you and me could never be
'Cause we didn't spend the proper time tryna work it out
I hope you findin' what you need or what you seek
'Cause now I'm free
And maybe in another life, you'd be mine, mine, mine

But you're missing out (Missing out, missing out)
You're missing out (Missing out, missing out)
You're missing out (Missing out, missing out)
Bet you're running out, yeah
'Cause you're missing out (Missing out, missing out)
You're missing out (Missing out, missing out)
You're missing out (Missing out, missing out)
Bet you're running out, bet you're running out
Ayy, yeah
