

No Way

Syd

Just touched down, be there real soon (Soon, soon)
Hit you when I make it through, ooh
Girl, I hope you're in the mood
Yeah, ayy, ayy-ayy, yeah
Already heard 'bout your day
How much longer, will you wait?
Don't start without me, no way

Yeah, ayy, ayy-ayy (Yeah, yeah)
Hey-hey, ayy, hey-hey
Yeah, ayy, ayy-ayy (Yeah, yeah, yeah, yeah, yeah)
Hey-hey, ayy, hey-hey
Yeah, ayy, ayy-ayy

Baby girl, I'm lit, off a fifth and I'm fired up
Bring the Chardonnay to your crib for the party
I've been on the road, but I still got the fire
Meet me at the door in a robe, we should light up

Grabbed my bags, now I'm in route (Route, route)
Can't wait to lie next to you, ooh
Can't even lie, you're the truth
Yeah, ayy, ayy-ayy
Rushin' to get to your place (Place, place)
Don't know what you'll have arranged
We'll be gone, missing for days

Yeah, ayy, ayy-ayy (Yeah, yeah)
Hey-hey, ayy, hey-hey
Yeah, ayy, ayy-ayy (Yeah, yeah, yeah, yeah, yeah)
Hey-hey, ayy, hey-hey
Yeah, ayy, ayy-ayy

Baby girl, I'm lit, off a fifth and I'm fired up
Bring the Chardonnay to your crib for the party
I've been on the road, but I still got the fire
Meet me at the door in a robe, we should light up
