

## Do It Again

Sydney Ross Mitchell

I wanna get drunk and let you take pictures of me  
I wanna roll around on your floor  
I wanna stop keeping score  
I wanna let you look at me, really look at me  
I want you to touch me like I'm a fragile thing  
Like porcelain or a bird with a broken wing  
When I ask you for more  
I know you'll say yes  
Give me your best

I just wanna do it again  
And again, and again, and again  
I wanna kiss you in french  
Again, and again, and again  
I know what I said (I know what I said)  
I wanted to beat you to it  
But if I'm not gonna win  
Then I just wanna do it again

I like when we fight  
Everything hits me too hard  
It's sweet that you don't know how strong you are  
And exactly how far I go to understand  
I'm in the palm of your hand

I just wanna (I just wanna) do it again  
And again, and again, and again  
I wanna kiss you in french  
Again, and again, and again  
I know what I said (I know what I said)  
I wanted to beat you to it  
But if I'm not gonna win  
Then I just wanna do it again
