

## Thrill

Sydney Ross Mitchell

I can see the look in your eyes  
You don't wanna fight anymore  
This time you mean it  
Maybe you're the love of my life  
Maybe it's the thrill of it all  
Just keep me breathin'

And I only want you, you, you, I do (I do)

Till' you've had enough  
Till' you're out of love  
I'm not out of love  
It's always been you

Baby we've been talkin' all night  
Going 'round in circles again  
These walls are screamin'

Save me from the morning light  
Before you walk out of the door  
Can't we still pretend it's still easy?  
Like it used to be  
Like it used to be  
Like it used to be

And I only want you, you, you, I do (I do)

Say you've had enough  
Say you're out of love  
I'm not out of love  
It's always been you
