

Dark Daze

Sylar

Wake up, wake up, today is another day
That feels like yesterday and I'm starting to wonder when
These days will change, I want to smile again (yeah, yeah)
These thoughts will fade, I want to run away (run away)

I'm feeling the pressure
And it gets heard to breathe
When they all count on me
No pain, means no pleasure
It's only pushing me to take this far

Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if get lost

My days feel like a movie with no happy endings
To all those spectating just skip to the credits I'm ready
This is the reason I'm crawling, this is the reason I'm falling
This is the reason why I... can't take it, I'm running

I tried to get away from here
What will it take to leave that place?
I think I know what's going on here
I'm just a prisoner of my own head

I'm feeling the pressure
And it gets heard to breathe
When they all count on me
No pain, means no pleasure
It's only pushing me to take this far

Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if I get lost

I feel it in my bones, nothing's really changed
The effort, the passion, the overreacting
Can't you see that I'm hanging on?
Can't you see that I'm hanging on?
I feel it in my bones, nothing's really changed
The effort, the passion, the overreacting
Can't you see that I'm hanging on?
Can't you see that I'm hanging on?

And I'll keep hanging on
Cause I feel it in my bones, nothing's really changed
The effort, the passion, the notion that I'm not the fake

Either way, even that is a loss of a gain
Can't you see that I'm hanging on?

I'm just doing what I gotta do, man
Haha, yeah
Stop me

Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if I get lost
