

# Harmony

Syleena Johnson

[Syleena:]  
Like a bird flying so high  
Is how you make me feel inside  
And like the wind beneath it's wings  
It's like the height of joy you bring  
To my heart a song you sing  
(Baby when you sing to me)  
And I agree like

(Melody)  
And together we are beautiful like  
(Harmony)  
Ooh and when we're making love it feels so  
(Heavenly)  
To my piano you're the key  
'C' to the 'E' to the 'G'  
Baby we are Harmony

[Dave Hollister:]  
Like the sun sets fall to night  
And the rolling stars light up the sky  
Your love brings me so much peace  
(Yeah sweeter than a lullaby)  
Or a beautiful rhapsody  
Hope you feel the pulse of my heart beat  
(Baby when you sing to me)  
We're in sync like

(Melody)  
Together we are beautiful like  
(Harmony)  
Baby yeah, and when we're making love  
it feels so  
(Heavenly)  
To my piano, you're the key  
So like a 'G' to the 'E' to the 'C'  
Baby we make Harmony

Ohhh, ohhhh YES Ohhh ohhhh  
Ohhhh Ohhh Ohhh ohhhh

To my heart a song you sing  
(Baby when you sing to me)  
And I agree like

(Melody)  
And together we are beautiful like  
(Harmony)  
Ohhh and when we're making love  
it feels so  
(Heavenly) yeah  
To my piano you're the keys  
'C' to the 'E' to the 'G'  
Baby we are Harmony

(Melody)  
And together we are beautiful like

(Harmony)

Ohhh and when we're making love

it feels so

(Heavenly) yeah

To my piano you're the keys

'C' to the 'E' to the 'G'

Baby we are Harmony

Baby, Ohhh mmm

Ohhh yeah
