

# I Am Your Woman

Syleena Johnson

Listen Baby  
Let's take a minute  
And talk about  
What turned this home into a house  
I don't know what this war's about but  
Been through too much  
Not to work it out  
Now you say you've been lovin' me  
Me only baby faithfully  
It's might strange when my eyes can see  
That you've been cheatin' around on me.

I am your woman (I'm your woman)  
Woman (oh yes I am)  
Woman (so show some respect and treat me as such)  
I am your woman (your woman)  
Woman (oh yes I am)  
Woman (and all I ask is that you honor this love)  
Now I've been dealin' with you  
Since sweet 16  
Woman enough to let you raise me  
You used to call me Daddy's ghetto queen  
And you still mean the world to me  
No sooner than I say no more  
I run to you like a corner store

I don't love you enough to hat ya  
But yet I love you too much to leave

I am your woman (I guess that make me your)  
Woman (oh yes it does)  
Woman (you need to show some respect and treat me as such)

I am your woman (oh woman)  
Woman (woman)  
And all I ever asked is that you honor this love  
Now we, boo, hours  
When the clock strikes three  
You should be at home in bed with me  
Takin' advantage of a real good thing  
How long will it take you to see  
Sometimes I ask myself are you crazy  
To stay here and put up with this pain  
You promised me the moon and the stars above but all I seem to get is rain

(Ah Woman)

(Ah Woman)

But I'm caught up in your whirlwind  
I'm blown away  
It's gonna take more than some shoes to get me home  
I don't want to  
I don't want to go now  
I'm gonna stay right here and rebuild this house

'Cause I am your woman yeah  
So show some respect and treat me as such oh yeah, yeah  
Yes I am

And all you've gotta do is honor this love oh yeah  
I'm your woman  
You are my man  
Soul to soul yeah  
Hand in hand  
I believe this is heaven's  
This is heaven's plan  
And when the morning comes  
You will be with me  
Puttin' your breakfast on the table  
Daddy do you have enough to eat  
And every day will be a holiday for you and me  
'Cause I am your woman  
Baby love  
Just like a diamond ring  
We will shine 'til the blind can see  
Oh, Oh, Oh, Oh, Oh yes we will  
'Cause I am your woman  
'Cause I am your woman  
'Cause I am your woman  
'Cause I am your woman  
'Cause I am your woman  
Until we split up or somethin'  
I am your woman  
I am your woman  
I am your woman  
I am your woman  
Ooh.
