

# Still Open

Syleena Johnson

Ooooooooooh  
Ahhhhh's

It's winter  
I last saw you in May  
That was the month we  
Went our separate ways  
And every moment since that day  
There have been things that I been wanting to say

(Like I) Didn't mean to say those things  
(And I) Didn't mean to cause you pain  
(Just wanted to make you happy)  
And I still wanna do that

And if you really  
Wanna know  
My arms... are still open  
No matter where we are  
And no matter where we go  
My arms (For you)  
Are still open

I'm dreaming  
Of a perfect day  
We are together  
Can you see us together  
And I'm hoping  
You might feel the same way  
Hope we can start new  
Cause I used to love you

And if you really  
Wanna know  
My arms... are still open  
No matter where we are  
And no matter where we go  
My arms (For you)  
Are still open

And I miss you  
I need you  
I'm so hopeless  
Here without you  
Wanna see you  
Wanna touch you  
Wanna show you  
How much I love you  
I understand you  
I will swear to you  
Here's a girl who  
Is there for you  
All this love I have inside...  
Is waiting for you, oh

Oh, these arms there still open.....

And if you really  
Wanna know  
My arms... are still open  
No matter where we are  
And no matter where we go  
My arms (For you)  
Are still open

Ohh  
Ahh

These arms are still open.... to you
