

# Wolf

Sylvan Esso

The modern wolf, he's kinder  
But saying we, it's a reminder  
Don't wear no suits, we're talking t-shirts  
See how he lies, makes women shiver

Ahoooooo, Ahoooooo

He ain't no dad, his voice is smoother  
Been bending notes, just like his father

Ahoooooo, Ahoooooo

But no birds nor beast does he eat  
He only wants the tenderest meat  
(And all the sounds he makes are speech  
Under all different patterns of sheets[?])  
(Call his blind dopamine[?])  
And she looked so good when they were last seen

Ahoooooo, Ahoooooo

The modern wolf, the modern wolf  
Drippin' in all the lies that he told  
He's going home, try to wash them off  
But when he shaves, he hears them call

Ahoooooo, Ahoooooo
