

Backseat 2012

Sylvan LaCue

Fresh out of this bitch, like a nigga bought a condo
Long whip, pronto
Dreamcast console
Cousin dead, long nose
Daddy dipped, wrong code
Momma pissed
Young Sylvan why you take the wrong road?
Trick like, fuck that
Other side, fuck that
Main bitch rub back
Meditate, fuck rap
Niggas got me hot, I been bussing since the cubs snapped
You just got here, flip and getcho mug capped

Backseat, hold up
Favorite rappers gangsters trappers
Why my niggas living backwards?
Blame the system Getcho cap murred
Mommies whippings got damn that hurt
Fake my tears act like my ass hurt
Cousin snitching aunty bitching
Rap or master trap then that hearse
Backseat, hold up
Opa Locka, before Obama
Niggas stretchd hands outta four four Hondas
Triangle where the dope flows proper
Momma said know yo role doors locked up
Keep a low pro when the popo's pop up
Snow cold even though the sun grows hotter
Circumstances, no hope but I'm

Backseat
Windows up, that's the way I like to fuck
Bitch, I ain't bout to buy no hotel let me get this nut
Hormones jumping like a blue brinx truck
SUV that I sneaked to fuck
I'ma text yo jack when a nigga ease up
Put your legs round mine till I catch my

Backseat, holdup
Ja Rule, Eminem, IC Posse
Didn't like spots but wrestling got me
People's elbow, Rocky Rocky

441 had a nigga on the hotseat
Skipped school had to get away from the mocking
Too late Momma let go don't stop me
I'ma get rich off rap then I'll be
