

D.Wade

Sylvan LaCue

God with me when I need grace
Workaholic when I need space
I ain't got sleep in like 3 days nah
Yah yah yah
Momma said this ain't a relay
You better live for like each day
This life don't come with no replays nah
Yah yah yah
I shoot my shot like I'm D-wade
Got me balling on a week day
I feel like I won a sweep steaks yah
Yah yah yah

(Had to get it back, had to get it right)
(Had to get it back, had to get it right)

I take a puff and get cross eyed
Couple niggas had to off ties
Look up above, God why? Yuh
Yah yah yah
Denim fleeces with the posh vibe
Truth be told I know you hog lies
Don't come around you ain't mob guy nah
Yah yah yah
When did I become an outlaw?
Makaveli with the pac jaw
Load a clip and shoot the opps off yah
Yah yah yah

(Young nigga black they gon give him life)
(Had to get it back, had to get it right)

Hold up, wait. VVS's never copped those
I been plotting since a snot nose
Sega Genesis and hot combs yuh
Yah yah yah
Hot cheetos and diablos
Section 8 was like a fossil
News reporters had the hot scope yah
Yah yah yah
I did my best and got way more
Numbers I put on the hate board
Nothing but wins I don't take score yah
Yah yah yah

Target all on my back dawg, my dawg I don't feel it
Target all on my back dawg, my dawg I don't feel it

God with me when I need grace
Workaholic when I need space
I ain't got sleep in like 3 days nah
Yah yah yah
Momma said this ain't a relay

Yah yah yah

(Had to get it back, had to get it right)
(Had to get it back, had to get it right)

I know the pressures in real time
Momma don't tell me you still fine
I'm tryna be the black Bill Nye yuh
Yah yah yah
Happy faces still conceal lies
Secret matters will reveal time
Hard to get money and still shine, yuh
Yuh yuh yuh
Fuck with the gang on my worst days
Broke on almost every birthday
Too much emphasis on first place yuh
Yah yah yah

(Had to get it back, had to get it right)
(Had to get it back, had to get it right)

Hold up wait
Legacy matters I'm full proof
Who in the hell let a goon through?
Nigga don't tell me its too soon nah
Yah yah yah
Patience got me in a new groove
Soul attachments had to move through
Set intentions every new moon yuh
Yah yah yah
I made adjustments and bounced back
Blow a bag before I count stacks
I don't know how to denounce that nah
Yah yah yah

Target all on my back dawg, my back dawg I don't feel it
Target all on my back dawg, my back dawg I don't feel it

God with me when I need grace
Workaholic when I need space
