

Peter Pan

Sylvan LaCue

Life don't come with tips
Someday I'll be rich
At time I feel tense
Light two spliffs ignite my bliss
Shoot my shot why miss
All is the wrist, life is a trip
They want me humble, I don't see the sense
We favor the bold, the real don't exist

Watch me hype my drip
You ain't seen shit quite like this
From the roota to the toota, I'm equipped
Peter Pan take flight nigga shoot it if ya hit
Pardon my dream but I insist
Tiggity Tisk, what's up with this
I can't complain but don't get it twist
Dearly beloved you'll truly be missed

Dawg
I was brought up to believe in the cross
Workers got checks but respect goes to boss
Stick to your morals and never get crossed
Yeezy had polos and Gator Lacoste
Biggest producer was Polo Da Don
Weezy made me wanna ice out my arms
Back to reality, dope on the lawn, I can't

Live my life like this
Broke fi broke we ain't got it
Momma bought a whip nigga couldn't drive stick
Used to sneak into my exes out on 125th
Shit I done seen couldn't be missed
Yeah, 2020 everlasting
Pray protection would prevent from havoc
No idea you couldn't even imagine
All I ever wanted was a chopper and a chance
Make a ruger sing soul survivor
Yeah, I used to get out the trenches
Coaches had me on the benches
Till a nigga put 40 on the visor 30 under 30
Do a nigga dirty
Feel like I ain't worthy, till I got wiser
Pull up like curry, always in a hurry
Even on site, niggas still couldn't find ya, nope

Life don't come with tips
Someday I'll be rich
At time I feel tense
Light two spliffs ignite my bliss
Shoot my shot why miss
All is the wrist, life is a trip
They want me humble, I don't see the sense
We favor the bold, the real don't exist

Watch me hype my drip
You ain't seen shit quite like this
From the roota to the toota, I'm equipped

Peter Pan take flight nigga shoot it if ya hit
Pardon my dream but I insist
Tiggity Tisk, what's up with this
I can't complain but don't get it twist
Dearly beloved you'll truly be missed
