

Trauma

Sylvan LaCue

Yea, yea, mmm, yea, mmm, yea

Trauma, yeah
Trauma make a nigga want drama
I ain't talking DJ Drama
Best friends pulling out llamas
Ex friends lending out commas
Die for the set with honor
Love my bitch, my momma
Fucking with the set you a goner

Trauma, yeah
Trauma make a nigga want pressure
See him on site, no lecture
Fuck them ties, they severed
God on my line, whenever
Lose my cool, nah never
I ain't just wise, I'm clever
Wonder how I keep it all together
Trauma
