Welcome back home

Hey what's up ma

Do you have everything you need?

Yeah I got everything

I got everything

Okay just checking

I cleared out your brother's room for you

He's gonna sleep on the couch for the time being

Alright that's cool

You know your father's been calling all night since you left the house

I'm not trying to talk to him right now ma

Not right now

It's gonna be alright baby, things like this happen

I know you're disappointed

But you'll get back on your feet

You know, God has a plan for all of us

And you ain't no different

You just

You just gotta keep holding on baby

Just gotta keep holding on!
