

And on today's episode of Young Sylvan

Life had a nigga trippin I ain't know why how
I gotta stay free out in these streets dog I don't like vows
Took over the lease on that bitch now it's my house
Don't send me no contracts my nigga shit is on flight now
Switch up on me better be prepared to run your lights out
Settle shit like grown men not now nigga but right now
And I'm pulling up dolo on yo set ain't no time outs
Face to face no DM's my nigga I don't like to type out

Young Sylvan back and I'm done with the antics
Anytime I reach I want niggas to get frantic
Nice guys don't finish last we lay low then plan shit
Pull up on you like aye dog, then O-Dawg your family
Condo got a great view that shit come in handy
I need my racks upfront no more free randy
I used to pray the world would understand me
But fuck understanding it is what it can be

Young Sylvan back and I'm done with the antics
Anytime I reach I want niggas to get frantic
Nice guys don't finish last we lay low then plan shit
Pull up on you like aye dog, then O-Dawg your family
Condo got a great view that shit come in handy
I need my racks upfront no more free randy
I used to pray the world would understand me
But fuck understanding it is what it can be

Fuck trying to see the bigger picture I was already in the feature
Mob suit with the red rose in my left pocket Mona Lisa
I ain't gotta explain shit dog I'm a grown man gon creep up
That'll get you 7 your mans rock bottomed elbow strap to the bleachers
Made love like 3 times this morning hard for me to keep up
I can't trust myself all a nigga want is ether
Nas said the world is mine I ain't really listen I was on some fuck shit
Ain't shit to do in North Dade but to hustle weight & hit the function

But I'm in this bitch dog, aye, 6'1 feeling 6'4
I know the law but tonight I'm getting disbarred
All my niggas superstitious fuck you bring a clip for?
Told me if a nigga pop shit I'm going Chris Paul
Why you think I brought this dope? So I don't get pissed off
Set assimilate, ain't no opps getting tipped off
Got it from the jump, ain't shit getting Kriss Crossed

Young Sylvan back and I'm done with the antics
Anytime I reach I want niggas to get frantic
Nice guys don't finish last we lay low then plan shit
Pull up on you like aye dog, then O-Dawg your family
Condo got a great view that shit come in handy
I need my racks upfront no more free randy
I used to pray the world would understand me
But fuck understanding it is what it can be
