## Forgiven

I still regret I turned my back on you No one makes me feel the way you do Never meant to cause you trouble Never meant to do you harm I was weakened by temptation's wing of charm

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend I want to be forgiven

Almost drowning in the sea of sin Can you ease the pain I feel within Never meant to cause you trouble Never meant to do you harm I was weakened by temptation's wing of charm

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend I want to be forgiven

Never meant to cause you trouble Never meant to do you harm I was weakened by temptation's wing of charm

Never meant to cause you trouble Never meant to do you harm I was weakened by temptation's wing of charm

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend

I want to be forgiven I want to hold you in my arms again To be forgiven 'Cause I still need a friend
