

## Dance Disco Heat

Sylvester

Cookin' on my feet in the disco heat  
Dancin' through the night til mornin' light shines on me again  
Music makes me dance, dance, dance, dance

Dancins' total freedom  
Be yourself and use your feelin'  
Come on get up let me see some swingin' swayin'  
Move groove slide glidin rockin reelin  
Come on get up everybody dance

Cookin' on my feet in the disco heat  
Dancin through the night til mornin' light shines on me again  
Music makes me dance, dance, dance, dance

Dancins' total freedom  
Be yourself and use your feelin'  
Come on get up let me see some swingin' swayin'  
Move groove slide glidin' rockin' reelin'  
Come on get up everybody dance, dance

Come on and dance  
Dance wit me in the disco heat  
Come on and dance  
Dance wit me in the disco heat  
Come on and dance  
Dance wit me in the disco heat
