

# Don't Stop

Sylvester

You know I'm so cunning  
Baby, you've got me humming  
One look and I gave you my heart  
I knew there was an attraction  
I watched for your reaction  
You took just a second to start

Ooh, baby don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop)  
You're moving  
(You're moving, you're moving me)  
Oh, don't you stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop, you're moving me)  
Ooh, don't you stop  
(Don't stop)  
You're moving  
(You're moving, you're moving me)

Your eyes seem so inviting  
Your lips feel so exciting  
Your touch is what I've waited for  
My love is yours for the taking  
My dream is that you'll awaken  
Desire I've never known before

Oh, don't you stop  
(Don't stop, you're moving me)  
Baby, don't stop  
(Don't stop, you're moving me)  
Oh, don't you stop  
(Don't stop)  
You're moving  
(You're moving me, you're moving me)  
Oh, don't you stop  
(Don't stop, you're moving me)  
Baby, don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop)  
You're moving  
(You're moving me, you're moving me)

Baby, don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop)  
You're moving  
(You're moving me, you're moving me)  
Ooh, don't stop

(Don't stop, you're moving me)  
Don't stop  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop)  
You're moving  
(You're moving me, you're moving me)

Oh, I've known you move in motion  
(Don't stop, you're moving me)  
Like waves riding the ocean  
(Don't stop, you're moving me)  
Each one takes me closer to the shore, yes it does  
(Don't stop, you're moving, you're moving me)  
Oh, you know just how to make me  
(Don't stop, you're moving me)  
Let's go, 'cause when you take me  
(Don't stop, you're moving me)  
Just so I can't resist, I can't resist, really no...  
(Don't stop, you're moving, you're moving me)

Don't stop  
(Don't stop, you're moving me)  
Baby, don't stop  
(Don't stop, you're moving me)  
Baby, don't stop  
(Don't stop)  
You're moving  
(You're moving, you're moving me)  
Moving and grooving and grooving and grooving me...  
(Don't stop, you're moving me)  
Don't stop  
(Don't stop, you're moving me)  
Oh baby, don't stop  
(Don't stop)  
You're moving  
(You're moving, you're moving me)  
Oh...  
(Don't stop, you're moving me)  
(Don't stop, you're moving me)  
(Don't stop)  
Moving  
(You're moving, you're moving me)  
  
(Don't stop, you're moving me)  
(Don't stop, you're moving me)  
(Don't stop)  
(You're moving, you're moving me)  
  
(Don't stop, you're moving me)  
(Don't stop, you're moving me)
