

Was It Something That I Said

Sylvester

Child, have you heard the latest
Ooh, ooh, what's going on now
About Sylvester breaking up
Uhn uhn, he done broke up with a
Girl, It's a mess
Tell me about this one
Honey he can tell you better than I can
Sylvester, you gotta tell me please about this honey

Girl, I'm in the dark just like you
I really don't know what happened
I got this letter and I run to the telephone
Picked it up and dialed the number
And it was disconnected with no referral

Was it something that I said
Was it something that you heard
Why are you treating me so bad
I was the best man that you had

Child, I was so through
I went tracking down the number
Called infomation couldn't get none
And like I said, I don't know what's going on
Cause like I said, I thought I had my thing together

Was it something that I said
Was it something that you heard
Why are you treating me so bad
I was the best man that you had

Now I think I deserve at least a two week notice
After all the things we did
And all the good times we had
I mean, I can't just throw them away like that with no explanation
And you won't tell me what happened
And I'm going to ask you one more time

Was it something that I said
Was it something that you heard
Why are you treating me so bad
I was the best man that you had

Now just think about what I just said
While the music just moves and grooves
Cause I love you
And I need you baby, yes I do
I love you ooh
And I need you, ooh ooh baby
Why did you do it baby
I love you and I still need you
Ooh, my sweet thing come on home
Oh I love you, I need you, I need you, I need you
