

# Avalon

Sylvia

Just beyond the golden sunset  
There's a magic land  
Take my hand and we will go there  
Anybody can

High upon a crystal mountain  
Shining like a polished diamond  
Stands a city few have gazed upon  
They call it Avalon

Rising high above the city  
Climbing through the sky  
There's a castle built by love  
Where all the answers lie

All who journey to the kingdom  
Find the walls are made of freedom  
Every tear becomes a shining star  
{You know who you are}  
In Avalon

Ba-da-dum, ba-da-dum, bum, bum  
Ba-da-dum, ba-da-dum, bum, bum  
Ba-da-dum, ba-da-dum, bum, bum  
Ba-da-da-da bum, bum

Standing still within a garden  
Waters clear and cool  
Quench the thirst and soothe the souls  
Of all who look into

Only truth can be reflected  
Only what is real accepted  
Face to face with everything you are  
{You'll know who you are}  
In Avalon

Life is one external moment  
Witnessed from afar  
So reach inside your soul  
And know that everywhere you are  
Is Avalon

So go beyond the golden sunset  
Take a wish or two  
Set your heart on all it's after  
Watch your dreams come true  
In Avalon
