

# Nobody

Sylvia

Sitting in a restaurant  
She walked by  
I seem to recall that certain look in your eye  
I said who's that?  
You said with a smile  
Oh, it's nobody  
Ah, nobody

Well, maybe that explains the last two weeks  
You called me up, dead on your feet  
Working late again  
I ask who with  
You say nobody  
Oh, nobody

Well, your nobody called today  
She hung up when I asked her name  
Well, I wonder  
Does she think shes being clever?

You say nobody's after you  
The fact is what you say is true  
But I can love you like nobody can even better

Late last night  
We went for a drive  
You were miles away  
I asked who's on your mind?

You said nobody, nobody  
Why do you ask?  
Oh, her again  
I could have told you that

We came back home  
Got ready for bed  
I said to myself I've got one shot left  
You're still mine  
And I won't stand in line behind nobody  
Oh, nobody

Well, your nobody called today  
She hung up when I asked her name  
Well, I wonder  
Does she think she's being clever?

You say nobody's after you  
The fact is what you say is true  
But I can love you like nobody can even better

Well, your nobody called today  
She hung up when I asked her name  
Well, I wonder  
Does she think she's being clever?

You say nobody's after you  
The fact is what you say is true

But I can love you like nobody can even better

Ah-ah, your nobody called today  
She hung up when I asked her name  
Well, I wonder  
Does she think she's being clever?
