

## ancient call

SYML

Some ancient call that I've answered before  
It lives in my walls and it's under the floor  
If this was meant for me, why does it hurt so much?

Some ancient call that I've answered before  
It lives in my walls and it's under the floor  
If this was meant for me, why does it hurt so much?

You're dislocated, don't be like that  
You're dislocated, don't be like that
