Where did we go? I love you
Where did we go? I love you
Where did we go? I love you
Where did we go? I love you
Where did we go? I love you
Where did we go? I love you

Where did we go? I love you
Where did we go? I love you
Where did we go? I love you

Where did we go...

I've made a grave mistake
True love miscalculated
My nightmare turns to day
I can still feel you in my space

(Why did you - go)
(How could you - go)
(I want to - go)
(Where did we - go)

Where did we go? I love you
Where did we go? I love you

Keep it all locked tight
In the middle of the night
Think I'm doing this right
It wasn't my fault
I called out

This is too much, I've had enough
I get so sick of you calling my bluff
Know that you won't, what if you don't
How about you sit back, let it play out

Go
(Where did we go...)
(Play out)
(How about you sit back, let it play out)
Go
(How about you sit back, let it play out)
How could you...
I called out
I love you

(I love you)
(I love you)
(I love you)
(I love you)
Where did we go? I love you

(I love you)
(I love you)
(I love you)
(I love you)

(Where did we go?)
I called out
(I love you)
(I love you)
Where did we go? I love you
