

# Build Me Up

Synapson

You build me up

Been thinking about you night and day  
I'ma go insane  
'Cause I can't let it go  
Why do you make me feel this way?  
Do you feel the same?  
'Cause I think I lost control

Oh, you  
No one can pick me up again like you do  
No one can lift the love and make it brand new  
Like you, like you, like you

You build me up with that love  
Keep filling me up with that rush  
You build me up with that love  
Keep filling me up with that rush

You build me up with that love  
Keep filling me up with that rush  
You build me up with that love  
Keep filling me up with that rush

You build me up with that love  
Keep filling me up with that rush  
You build me up with that crash  
And I can't get enough  
And I can't get enough

We can make it together  
'Cause I got visions of you  
The weekend keeps getting better  
It's the things you do

Don't wanna wake up on my own  
Feelin' all alone  
I just need you here  
Things on my mind are runnin' wild  
But it's alright  
Now that I see it clear

Oh, you  
No one can pick me up again like you do  
No one can lift the love and make it brand new  
Like you, like you, like you

You build me up with that love  
Keep filling me up with that rush  
You build me up with that love  
Keep filling me up with that rush

You build me up with that love  
Keep filling me up with that rush  
You build me up with that love  
Keep filling me up with that rush

You build me up with that love  
Keep filling me up with that rush  
You build me up with that crash  
And I can't get enough
