

The movement of your body is speakin' to me  
(Speakin' to me) mmh, mmh  
You used to say "I get you" when I disagreed  
(I disagree) mmh  
This digital affection makes everything seem  
So clean (so clean)  
But we're both playin' dirty to get what we need  
(To get what we need) We do-do-do  
(We do)  
We do (We do)

I need to know, what are you waitin' for?  
What are you waitin' for?  
Just let it go if you can't take no more  
Or break some more  
If we don't do it now, don't do it now  
Don't do it now, get out, yeah  
If we don't do it now, don't do it now  
Don't do it now, get out

Now who's sleepin' in my bed  
And getting what I get when I don't get it?  
(When I don't get it) I don't get it, no  
But I don't wanna know (But I don't wanna know)  
You're makin' breakfast and it's so careless  
And I could care less if it was fair (If it was fair)  
But you wouldn't know if I get it on  
If I get you back, and I will do you wrong  
Am I so kind of joke to you?  
Fuck me, is it really that hard to be honest?  
I don't care about your trust issues (I don't care)  
We've all been through some shit  
We've all been hurt, lied to, disappointed, you name it  
And no, that doesn't give you the right to treat me like shit (Treat me like  
shit)

Maybe it's me, maybe it's not  
I just thought you'd like my flaws  
Like I like yours, every scar  
Showed me who you are  
Now I can't breathe when you're with me  
And I know you'll get there too  
(You know you'll get there too)  
There's not a word to make it okay  
That could fix these mistakes

I need to know, what are you waitin' for?  
What are you waitin' for?  
Just let it go if you can't take no more  
Or break some more  
If we don't do it now, don't do it now  
Don't do it now, get out, yeah  
If we don't do it now, don't do it now  
Don't do it now, get out
