

Filter Lover, Pt. 2: Don't You

Synapson

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't mess with me
Don't mess with me

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you love me girl? Don't you love me?
Don't you love me 'cause I don't care 'bout you

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't mess with me
Don't mess with me

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you love me girl? Don't you love me?
Don't you love me 'cause I don't care 'bout you

Aww, baby
I guess
Oh
What about love? Where are we?
But they do say love is worth fighting for
My lil' lover
Can you do both?
Don't you mess with me
Yeah, I think you can
But who am I to say, I-I don't know
I don't know

Aww, baby
So I don't know if I'm a lover or a fighter
I don't know
Maybe I'm both
'Cause I've loved before
But I don't mind a fight
And I say, where would you be without love?
When they say love is worth fighting for
Yeah, but I don't know
I don't know

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you love me girl? Don't you love me?
Don't you love me 'cause I don't care 'bout you

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't mess with me
Don't mess with me

Don't you mess with me 'cause I don't care about you
Don't you mess with me 'cause I don't care about you
Don't you love me girl? Don't you love me?
Don't you love me 'cause I don't care 'bout you
