# Moonlight

**Synapson**

It could have been you, moonlight
It could have been me, moonlight
It could have been us, moonlight
But I'm the only one who get a job down here
It could have been you, (you)
It could have been me, (me)
It could have been us, (us)
But I'm the only one who get a job down nah'

It could have been you, moonlight
It could have been me, moonlight
It could have been us, moonlight
But I'm the only one who get a job down here
It could have been you, (you)
It could have been me, (me)
It could have been us, (us)
But I'm the only one who get a job down nah'
