

So Long

Synapson

Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na

Findin' something new in every day
People, what they seein', what they say to the faces
Prisoners in life as they go
Prisoners in life as they go

They say, if you weren't as busy
Understand, could be kinda easy
Instead they're waitin' on
Another day, another life, gonna take so long

Gonna take so long
Gonna take so long
Gonna take so long
Gonna take so long

Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na

I don't wanna get lost in your maze (For a night)
Feelin' a little mixed up with your game (Out of line)
Prisoner in life as I go
Prisoner in life as I go

They say I'm a harmless girl
Perfect life, come into my world
They're gonna feel sick, put my shoes on
Another day, another life, gonna take so long

Gonna take so long
Gonna take so long
Gonna take so long
Gonna take so long

Na, na, na, na
Na, na, na, na
Na, na, na, na
Na, na, na, na

Gonna take so long
(Na, na, na, na)
Gonna take so long
Gonna take so long
(Na, na, na, na)
Gonna take so long

Gonna take so long
(Na, na, na, na)
Gonna take so long
Gonna take so long
(Na, na, na, na)

Gonna take so long

Gonna take so long

(Na, na, na, na)

Gonna take so long

Gonna take so long

(Na, na, na, na)

Gonna take so long

Na, na, na, na

Na, na, na, na

Na, na, na, na

Na, na, na, na
