

Science

System of a Down

Making two possibilities a reality
pre-dicting the future of things we all know
fighting off the diseased programming
of centuries, centuries, centuries, centuries
Science fails to recognise the single most
potent element of human existence
letting the reigns go to the unfolding
is faith, faith, faith, faith
Science has failed our world
science has failed our mother earth

Letting the reigns go to the unfolding
is faith, faith, faith, faith
letting the reigns go to the unfolding
