

## 30 For 30

sZa

I used to think about immature things  
You know, like  
Do you love me? Do you want me?  
Are you gon' call me like you said you would?  
Is this really your real phone number?

Some of y'all gon' get washed (Washed)  
Some of y'all just gon' pop shit  
Some of y'all just gon' talk (Talk)  
But none of y'all ain't really 'bout shit  
Some of y'all just look lost (Lost, yeah)  
I get this type of feeling you ain't accustomed to  
I swear I'd be at peace if it weren't for you  
Yeah, yeah  
Only want your love if it's solid  
But if it's fuck me, then fuck you (Huh)  
And that's the way I like it  
That's the way I like it  
And that's the way I like it  
Ain't crackin' a smile for none of these bitches  
That's the way I like it  
I'm wipin' 'em down in front of they nigga  
That's the way I like it  
I'm thirty for thirty, I'm thirty for thirty, I'm thirty for thirty, I'm thirty for thirty, I'm

When the sun go down, everything make me feel lonely, yeah  
Had a little side thing, but right now, he's just the homie  
Tryna feel good inside, he never wanna hold me  
Hype me up, you get me hyped, you my favorite coach, compress a line  
Fucking stress off, that's my only vice  
I take it off when he tell me if I'm feelin' fine  
I run it up, risk it all like I'm rolling dice  
Takin' it all, it's my second life  
That's me (That's me)  
Passed out in a nigga backseat (Backseat)  
Crashed out on a black-sand beach (Uh)  
Already know my body  
Already know that's me  
Bitch shit, then you might get minked
