

## Diamond Boy (DTM)

sZa

I need you poolside  
You've been on my mind  
Wonder if you all mine  
What do it matter anyway? (Fuck it)  
I like your soft side, I like you on top  
You make my thoughts stop  
You make bein' me less hard  
'Bout to quit my job

When the dick hit, that's just how you gotta do  
I'm addicted, that's why I keep callin' you  
Diamond boy, why you so shiny? (Bling)  
Diamond boy, go'n get behind me, rodeo  
Diamond boy, your light so blinding  
Blind me

Baby, if it's OD, tell me  
Am I sayin' too much? (Sayin' too much)  
And, baby, if it's OD, tell me  
Am I sayin' too much? (Too much)  
Baby, if it's OD, just tell me  
Am I doin' too much?  
Papi, if it's OD, just tell me  
If it's OD, just tell me  
Mmm

Usually, I can't let down my guard (No)  
It's the way you say shit smooth, that got you far with me  
Usually, I make 'em work so hard (So hard)  
But the truth is I'm ruthless about you, why waste more time?  
It's 2 a.m. and I'm on again, don't look at me like that  
'Cause I'm with all the shits, and it's hard to breathe  
Tell him then come break my back  
I'm talkin' punishment, I don't wanna complicate it with questions  
What you don't ask, I won't mention  
Now come for me like you mean it, I

When the dick hit, that's just how you gotta do (Gotta do)  
I'm addicted, that's why I keep callin' you (Callin' you)  
Diamond boy, why you so shiny? (Bling)  
Diamond boy, go'n get behind me, rodeo  
Diamond boy, your light so blinding (So blinding)  
Blind me

Baby, if it's OD, tell me  
Am I sayin' too much? (Sayin' too much)  
And, baby, if it's OD, tell me  
Am I sayin' too much? (Boy, I'm too much)  
Baby, if it's OD, just tell me  
Am I doin' too much?  
Papi, if it's OD, just tell me  
If it's OD, just tell me  
Mmm

Diamond boy, keep me so shiny  
Kinda like my wrist, don't you forget about my timepiece  
Gotta pop my Cris', I need more bottles to my side, please

Gotta pop my shit, made fifty mil' off of my feelings  
Throw it back like chiropract', I'm hanging from the ceiling, yeah  
I been callin' back to back, I never caught no feelings, yeah  
No, you don't have to ask, I'm always OD, I'm O and T  
I'm on go, it's infinity and beyond fuckin' with me, so
