sZa

Yeah, you don't know I don't know you don't fuck with me?
You don't gotta say it, bitch, I could feel it
I could feel it, bitch, I feel energies, and I see shit, bitch
I know you don't fuck with me, leave me the fuck alone, bitch
You are the devil, bitch

Not today, Satan (Whoa)
Not today (Or any other day)
Not today, Satan (Whoa)
Not today (Or any other day)
Ain't no niggas bringin' me down
Ain't no bitches bringin' me down

Or any other day
Ain't no niggas bringin' me down
Ain't no bitches bringin' me down
Ain't no turnin' down, we too loud
Ain't no turnin' down, we too loud, uh
