You know we got a real history
That's no reason I can't choose me
You know that dick been good to me
You make it hard for me to choose me

Dancing and kissing, the kitchen
Makes me forget, I forgive him
Mama told me I don't listen, back again
Crashing out on shrooms, I guard them
Cursing you solves all my problems
Vacationing in rock bottom, back again

So hard to do the right thing
So hard to do the right thing

You know we got a real history
That don't mean I'll let you abuse me
That pussy hit like royalty
Must be hard for you to lose me

Dancing and kissing, the kitchen
Makes me forget, I forgive him
Mama told me I don't listen, back again
Crashing out on shrooms, I guard them
Cursing you solves all my problems
Vacationing in rock bottom, back again

So hard to do the right thing
So hard to do the right thing
So hard to do the right thing (So hard to do it)
So hard to do it (So hard to do it)

You know we got a real history
Dancing, kissing, the kitchen
Makes me think I forgive him
Dancing, kissing, the kitchen
Makes me think I forgive him
