

## Percolator

sZa

Say you got love for me  
Say you don't mind that we don't really f\*ck a lot  
I-I-I-I just wanna smoke a little  
Then take off all my makeup  
So we can touch a little  
Don't really rush a lot  
I keep anxiety

Thank you for waiting anyway  
Don't really trust a lot  
I keep a side of me  
Under wraps

Ooh-wee-ooh-wee-ooh-ooh  
I wanna be a percolator, lator  
Na-na-na-na-na, na-na  
I gots to be a live wire
