You're the Romeo that I think about
Till when are you gonna make me anxious?
My heart is burning up
Please tell me luv luv

I try to look pretty by putting on makeup
I put on the clothes you liked and came out
To look better, I even cut my long straight hair short
Do you know?

Why are you smiling at me?
My heart is shaking again
Do you love me too?
Do you feel the same way?

Because when I fall in love, I know that feeling
Because I feel my heart fluttering
Because I know it will hurt when I fall in love
I'm afraid and I can't even talk

What to do? Because it hurts
If you know how I feel, please tell me first
Because of you
Because I'm sad
Is it just me?

At your short text, asking if I got home alright
My heart is racing again
What are you doing this weekend? Did you eat?
What are you asking me those things?

I think to myself that this isn't right hundreds of times a day
But then I still look around me
I wait as I spend the whole day
Hoping to hate you several times
It confuses me
Like a hellish whirlwind
Hurry and tell me
Don't tell me why

Because when I fall in love, I know that feeling
Because I feel my heart fluttering
Because I know it will hurt when I fall in love
I'm afraid and I can't even talk

What to do? Because it hurts
If you know how I feel, please tell me first
Because of you
Because I'm sad
Is it just me?

I have a lot of fear, I have a lot of tears
Why don't you know this?
Stop shaking me up
Hurry and tell me so I won't hurt anymore

What to do? Because it hurts
If you know how I feel, please tell me first
Because of you

Because I'm sad
Is it just me?
