Would you like a clockwork apple?
(Oh oh is very toxic)
Mirror Oh Mirror, Am I the best?
(Yeah I'm really cute)

Just like a fairy tale (My love)
A development of love
Ah ah ah Cha-cha-cha-Chance

Surely it's a Deja-Vu! A feeling of love
Being chased by the mean witch
The two people who met in the forest of secret Oh
The kiss which I seem to be awakened to
Just like a Deja-vu love is real
So to avoid the mischievous rain
The two people who met there, took refuge Oh
Tonight Again and again and
Again and again and
De-De-De-Deja-Vu!

The prince is waiting asleep in the forest
For his princess with shoes of glass
With a red hood just like my heart
Come fast and look for me please please

A rabbit being chased gets lost in a maze
(Oh oh where is it?)
Where is my upside-down world?
(Yeah Still in my dream)

My fate is intertwined (My fate)
A clue unwinds it
Ah ah ah cha-cha-cha-Chase

Surely it's a Deja-Vu! A test of love
I'm being fooled by the capricious cat
The wandering love is looking for an exit
The heart is being tested
Just like a Deja-vu it's real love
Suspect at the feeling of a vicious circle
And go forward to make things clear
Tonight Again and again
And again and again

Let's escape from the dream tonight, My love my love
Let's start over and over again
My love my love my love my love my love my love

Surely it's a Deja-Vu! A feeling of love
Being chased by the mean witch
The two people who met in the forest of secret Oh
The kiss which I seem to be awakened to
Just like a Deja-vu love is real
So to avoid the mischievous rain
The two people who met there, took refuge Oh
Tonight Again and again
And again and again
And again and again and
De-De-De-Deja-Vu!
